## Be Part of the Journey No Matter Where You Live

The Virtual WalkAbout is designed so that you and those you know can walk as part of the BIAF's WalkAbout awareness campaign anytime, anywhere throughout the year. The campaign begins in March. Register free at [www.biaf.org/walkabout](http://www.biaf.org/walkabout) and receive a t-shirt as supplies last. A \$10 donation helps defray costs.

### How to Become a Virtual Walker

- ✓ Register and order a t-shirt free at [www.biaf.org/walkabout](http://www.biaf.org/walkabout).\*
- ✓ Decide if you want to walk individually or set up a team of people to walk with you and have them register and order t-shirts as well.
- ✓ Register as an individual, join a team or start a team.
- ✓ Set up a personal fundraising page after your register. It's easy to create and customize your own personal page. You can add photos, share your story, and e-mail family and friends.
